

Service with a Smile

Flexible Service Options for Formal and Casual Occasions

Introducing an exciting and industry leading new way to match your service requirements and budget with the right staff for your function, wedding or event. We have graded our chefs and food service staff and compiled a detailed guide covering the types of functions they are suited to, what level of food preparation you can expect, how much experience they have and the type of equipment that is included. You can combine different levels of staff to best suit your needs.

GUARANTEED to be fun, friendly and professional

Benefits of choosing our chefs and service staff:

- We hire only experienced, dedicated and professional chefs who are fun, friendly and find nothing too much trouble
- No staff booking fees that inflate the real cost to you
- Staff fully insured by Crown Catering – no risk to you
- All our staff receive ongoing training and assessments to ensure extremely high standards of service
- DIY hot box delivery options through to full service by professional chefs including clean up to allow you to enjoy your time with family and friends
- We are the only caterer to offer professional spit roast carving stations in Sydney

* Half hour travelling time each way charged for all functions/events requiring service staff.

Service with a Smile

Guaranteed to be fun, friendly and professional. By choosing Crown, you can have the confidence of receiving guaranteed levels of customer service and food presentation. The level of service provided depends upon the type and number of staff hired and the length of time on site. Generally speaking we recommend one chef for up to 50 guests and one waitperson for each additional 50 guests.

Please note however that this guide is not applicable to plated meals and some gourmet finger food menus which require extra preparation time. Our consultants will provide staff level recommendations based on their extensive experience with all types of functions, weddings and events.
